been honest on what you wanted. you
really fucked this shit up this time. its
fucked up.

7:10 AM

Crazy

i even talked to heph and told him all this shit

7:10 AM

Crazy

so im either A gonna kill myself, b not do this shit C do this shit

7:12 AM

Crazy

im not doing this shit

7:12 AM

Crazy

i told you how i felt i meant that if you cant grow up i cant help you.

7:12 AM

Crazy

im not doing this. anymore. and i cannot believe you are going to lose me and a real life to the internet.

7:14 AM

Crazy

what is wrong with you

7:14 AM

Crazy

this shit is very much different than all the other shit that went on. why am i not good enough for you?

7:16 AM

Crazy

why would you allow me to given the chance meet someone else?

7:17 AM

Crazy

but youre not attracted to me lmfao

7:18 AM

Crazy

are you content with someone else being with me? because i do not want that shit

7:18 AM

Crazy

7:20 AM

Crazy

you are hurting me and if i dont end up with you i already told everyone lastnight im killing myself so i guess you got your wish anyways

7:33 AM

Crazy

that includes my mom i told her but she said dont do it at the house so

7:34 AM

Crazy

thats where were at

7:34 AM

Crazy

so when you find out that has happend just know it was because of you

7:36 AM

Crazy

you are never going to be with me because you have too many insecurities. im ending this.

7:41 AM

Crazy

im done opping im done trying to fix everything and im done. why do you not block me? why do you get to live and i dont?

7:49 AM

Crazy

whY?

7:49 AM

why do you get to live and i dont

7:49 AM

Crazy

if you are not here to be with me i dont want you contacting me so if you do not want a life with me then i want no part of this shit

7:53 AM

8:06 AM

Crazy

he let me drive the truck lmfaoo through corn fields..

8:08 AM

Crazy

i was scared. we drove in the middle of no where and just parked by the lake he turned to me and said samy im so glad you came and i started to cry and i said stop.

8:08 AM

Crazy

when my plane was leaving he was crying. he said to leave lmfaoo i cried hysterically on the plane because knew that was the last time id ever see him.

8:10 AM

Crazy

it was hard.

8:10 AM

Crazy

its communication

8:15 AM

Crazy

that is what divided us discord, bitwave, those people, plate, communication. not the distance not the money not our lives, it was that.

8:15 AM

Crazy

and the reason why what happend to him happened is because of what he did. if he picked up the phone and talked i wouldnt have been left to find and create my own closure.

8:15 AM

Crazy

we were better than that. we are closer than that. that is why you build the foundation for none of that to ever transpire here with us.

8:16 AM

Crazy

we went hiking and he carried me on his back half way he was like i thought this was a good idea at the time Imfao.

8:19 AM

Crazy

he kept asking me isnt this what i wanted over and over and over again.. and tbh i think he just wanted me to feel alive.

8:21 AM

Crazy

looking back i ruined it. somehow probably along the way.

8:22 AM

Crazy

that was me

8:22 AM

Crazy

he would have told me about his life eventually..

8:24 AM

Crazy

I cant keep getting played. I deserve better.

8:31 AM

Crazy

if you arent going to give me your whole self here and trust that i am not going to return to that shit hole then i dont know what to tell you.

8:33 AM

Crazy

it hurts that you cant do that

8:33 AM

Crazy

this makes sense.

8:35 AM

Crazy

8:35 AM

Crazy

what do you want me to do

8:37 AM

Crazy

im not going on there man i learned my lesson so idk what more you want from me

8:37 AM

Crazy

its like u want me to die

8:38 AM

Crazy

at the end of this shit does this give me you?

8:44 AM

Crazy

if it does then i will make room for you in my life and make it better but im not going to do that if that means i dont get you because then whats the point

8:44 AM

Crazy

fetch you are never really ready for stuff like that shit.

8:45 AM

Crazy

8:50 AM
