12:47 PM

Me

Since I do have a little bit of a soul
left, I will just leave you with this: how
many more times in life is it going to be
someone else's fault?

12:49 PM

Me

I will just leave you to a life of selling out and stabbing the backs of everyone you know, until there's nothing left but an empty bottle of pills and your wailing cries of loneliness

12:51 PM

Me

Enjoy it, you worked hard for it and you earned it.

12:52 PM

12:54 PM

Crazy
you were just afraid i was going to lmao.

12:56 PM

Crazy
you are hurting me, by fucking not believing me when i told you I loved you. how do you think that would make someone feel? how? when you find the answer let me know.

12:57 PM

Me

Someone's grown a little big for their britches and might need a weight reduction.

12:57 PM

Me

Let's do that, shall we?

12:57 PM

Me

You were talking about hating your job earlier?

12:57 PM

Me

In this shattered economy, I'd hold on to that for now

12:58 PM

Me

Thousands of people in your city alone clamoring for a job like that. Much like LA Tan probably was.

12:59 PM

Crazy

fetch do you honestly think If i cared i would have put my family in danger? just like the rest of you guys?

1:06 PM

Crazy
tell me.
1:06 PM

Crazy
because i know the answer, a defense mechanism to push me away and thats fine you could of thought of a different way. you didnt have to be so fucking nasty.
1:08 PM

Me
Part 2.
1:09 PM

Me
No, I told Mandalorian last Friday night after you bitched about it in chat and he told everyone. I only told him because the humor of you saying I'm your soulmate, sending him fingering shots the day before, and never shutting up about the teenagers you fuck was too much to bear at that point. So sure, sorry for that one act.
1:14 PM

Me
So yes. You are too old and mature for this
1:15 PM

Me
I'm sorry to have wasted your time
1:15 PM

Me
The fact you can't even see how bad that looks is proof enough
1:17 PM

Me
Oh, and we can't be friends or something so also, that
1:17 PM

Crazy

just tell me what to do when you think of it and i will do it i cant change the fucking past. you are here now. thats what matters going forward. i want to be yours Imfao but you i cant force you.

1:25 PM

Crazy

just fucking love me holy fuck. thats all i ever asked from you i dont think ive ever asked you for anything ever Imfao once.

1:55 PM

Crazy

i want closeness. everyone wants that shit.

1:55 PM

Crazy

I had told you that I was risk losing you when I told you I loved you so now did I make a mistake?

2:09 PM
