"VMLA" is a FALSE company used for Illicit activities, Fraud(s) against the U.S. government (Qui-Tam type), Money-laundering of criminal/covert proceeds, possibly from Global Child Sex-trafficking and Drug-Trafficking, in Colombia and Mexico, where

"VMLA" an MVNO = Mobile Virtual Network Operator, obtained it's first (2) MVNO licenses.

The Money-laundering "Scheme" uses illegal, unreported offshore shell companies, corporate inversion and Corruption of US entities; persons to conceal Virgin's true covert, criminal activities and to hide beneficial ownership and to protect the criminal network, perpetrators, co-conspirators, "agents", partners, investors, etc and their complicitness and the Cover-up and Obstruction of Justice - Corruption.
