TheMultiBrony21 Deletion reason: rule 0

@anew20034 Tell me about it.

I was actually going to call him a bunch of names based on the Nostalgia Critic's "Best Insult Ever" but just decided to use the old "No u."

Background Pony #CB88 Because it is pure evil nazi stuff.Also yes the fag was a bad word

anew20034 Calling other people who disagree with you and want the picture to stay up bigots, all the while using a slur that was used against homosexuals for a long period of time.

TheMultiBrony21 @Background Pony #CB88 No u.

Background Pony #CB88 Deletion reason: rule 0

TheMultiBrony21 @Background Pony #CB88 Yes he was a terrorist.

But he merely took the fact that most terrorists are Islamic as "All terrorists are Islamic". It literally had nothing to do with Nazis.

And stop blaming the Right. We don't lie nearly as much as the Left.

Also, you sound like the same type of maroon that blames video games for school shootings.

"Don't blame the shooting 100% on the person responsible, blame it 50 on him and 50 on something else."

Background Pony #CB88 He was a dangerous racists and believed that typical rightists stereotype about islamaic terrorists.And he showed how nazis can be terrorists too

TheMultiBrony21 @Background Pony #CB88 New Zealand had nothing to do with Nazis, you fool.

The guy was a deranged maniac who blamed Nazism for stuff that he himself did.

Background Pony #CB88 @TheMultiBrony21 Nazis too.New Zealand

TheMultiBrony21 @Background Pony #CB88 Because Terrorists are a real thing.

Background Pony #898C ...that was awful. Shame on you! You uninStalin that pun right now, mister!

Seriously, it's getting me Bento out of shape.

Background Pony #CB88 Wtf is this stuff about terrorists?Also normalising nazism leads to events like what happened in New Zealand

TheMultiBrony21 @Background Pony #CB88 Neither should terrorist jokes. But they do, and some are Hitlerious.

Background Pony #CB88 @anew20034 It is a really bad joke and not funny at all.Holocaust jokes shouldn't exist in the first place

TheMultiBrony21 @anew20034 Eeyup. (Weird. I thought this image was deleted.)

anew20034 If you think banning images like this will make the ""influence"" grow smaller then you're sorely mistaken. Banning joke content like this will only make the problem worse
