Well, firstly: on the site of mlpol, is it me or the "anonymous" are more and more blundering? On this, it is marked "Yes, apparently Derpy is a guy now." while she is a girl, have you not noticed the eyelashes on her eyes?

Description: Derpy Hooves juggles with muffins. Here is the list of muffins that Derpy juggles with:
-Chocolate
-Oreo
-Vanilla
-The normal (his favorite)
- Strawberry, watermelon or Christmas special (your choice).
